PETITION TO REVIEW REFUSAL TO ACCORD A FILING DATE

Applicant has received a Notice of Incomplete Nonprovisional Application ("Notice"). The Notice states that the PTO refused to accord a filing date because the application, as filed, omitted drawings. Applicant respectfully petitions for review of the decision to refuse to accord a filing date, and requests that the application be accorded a filing date of January 23, 2004, in accordance with 37 CFR 1.10.

Accompanying this petition are a copy of a postcard receipt for the application acknowledging receipt by the PTO of the application, copies of two drawings ("drawing copies"), and the petition fee specified under 37 CFR 1.10.

The allegation that the application was filed without drawings is incorrect. The application as filed included two drawings.

The postcard receipt and drawing copies are evidence that proves that the two drawings were filed with the application. The postcard receipt has affixed to it by the PTO a label identifying the application's serial number. The postcard receipt itemizes

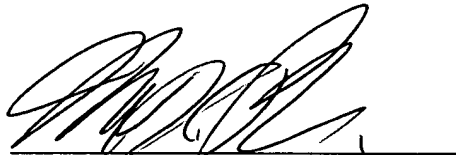

components of the application filed, including the two drawings. "A postcard receipt which itemizes and properly identifies the items which are being filed serves as *prima facie* evidence of receipt in the USPTO of all the items listed thereon on the date stamped thereon by the USPTO." (MPEP 503). Furthermore, drawing copies show that labels affixed to the drawings identify the Express Mail number of the express mailing used to file the application. This number is the same Express Mail number identified on the postcard receipt.

As shown above, Applicant has provided *prima facie* evidence proving that the application as filed contained two drawings. Applicant respectfully requests that the filing date be accorded as specified above and the petition fee refunded. (MPEP 506.02).

If any applicable fee is missing or insufficient, throughout the pendency of this application, the Commissioner is hereby authorized to any applicable fees and to credit any overpayments to our Deposit Account No. 50-1302.

Respectfully submitted,

HICKMAN PALERMO TRUONG & BECKER LLP
